Mowing Safety

DRESSING SAFELY FOR MOWING

Clothing protects the mower operator from thrown objects and sun exposure. Earplugs protect hearing from the engine's and blades' loud noises. Safety glasses or goggles protect the eyes from dust, dirt, trash, and small rocks thrown by the blade and the engine-cooling fan.

Never wear anything that can be caught in the machine such as loose clothing or jewelry. Always tie back long hair. Following is a checklist of appropriate clothes and supplies to use to protect yourself while mowing:

- Long pants
- Close-fitting clothes
- Sturdy shoes
- Safety glasses
- Sun protection
- Earplugs or muffs
